

Themes and target audiences

The Metsästäjä (in Finnish) / Jägaren (in Swedish) magazine offers practical knowledge of hunting and game management, hunting legislation, the use of dogs in hunting, life in the wilderness and equipment needed. Other subjects are f.e. international co-operation, the relation of game husbandry to the other uses of nature and natural resources, the position and significance of game animals in nature and so on.

Metsästäjä / Jägaren magazine is sent to every hunter in Finland. The magazine is also distributed to numerous offices, libraries, schools, educational institutions in the fields of forestry and agriculture and to many associations and private persons in Finland and abroad.

The magazines annual volume consists of six issues. The issues are not sold separately.
